

Understanding of the World

Children will learn:

- The names of their new friends and teachers
- To follow the rules and routines of school
- To use a wide range of vocabulary to talk about themselves and their families
- About different types of families

Ways to help at home:

- Ask your child to tell you about their school day and friends they have made
- Talk to your children about their school day, using Tapestry as a guide to help you know what your child has learnt
- Establish good bedtime routines at home (bath, story, bed), so that your child is ready for learning the next day

Personal, Social and Emotional Wellbeing

Children will learn:

- Where their coat pegs and trays are
- How to make new friendships with other children and new relationships with adults at school
- To share and take turns

Ways to help at home:

- Encourage your child to remember their book bag and water bottle themselves
- Play games which involve turn taking
- Encourage your child to try different foods to help with lunchtimes at school

Reception Learning Autumn 1

Expressive Art and Design

Children will learn:

- To explore different art materials and techniques
- Different ways to make representations of themselves and their families
- A variety of simple songs to sing together

Ways to help at home:

- Use construction toys and recycled materials to build 3D structures
- Encourage your child to draw and paint as much as possible

Physical Development

Children will learn:

- Safe ways to play on equipment and to navigate around objects and other people
- Become independent when getting dressed and about personal care
- Use a tripod grip (crocodile snap) when holding a pencil and other mark making tools

Ways to help at home:

- Take your child to the park and encourage them to develop new climbing skills
- Support your child to become independent in their personal care - putting on shoes and coats by themselves and trying zips and buttons

Maths

Children will learn:

- To count, recognise and write numbers to 10
- How to form recognisable numbers
- To sing simple number songs
- The names of 2D shapes and how to recognise them

Ways to help at home:

- Identify numbers in the environment
- Identify and name shapes of everyday objects
- Sing simple number songs together
- Play simple counting games together

Communication, Language and Literacy

Children will learn:

- To recognise and write their name
- To read and write words with phase 2 phonemes
- How to form recognisable letters
- How to add narratives and stories to their play

Ways to help at home:

- Support your child with their home learning activity
- Check Tapestry regularly for home learning and updates
- Read books everyday at home together
- Join / visit the local library
